Leaders (Priest) since St. Luke's has been Organization in 1871 (meeting in homes and/or becoming a mission in 1873) Fr. Ashford would be the 25th Priest at St. Luke's. This number includes Vicars, Rectors, Priests, Interims and Priests-in-Charge.

Note: Fr. Utley was not counted because we did think he was ever officially assigned to St. Luke's by the diocese. If we are wrong then the numbers would change by one (+1)
